

Patient Responsibilities

The Patient's Responsibilities include each of the following:

- 1) To provide the Agency with accurate and complete health information concerning their medical history.
- 2) To assist in developing and maintaining a safe environment.
- 3) To provide the Agency with requested insurance and financial information and to inform them when any changes occur to the same.
- 4) To sign the required consents and releases for insurance billing.
- 5) To treat Agency staff with respect and consideration.
- 6) To inform the Agency when you will be unable to keep a home care visit.
- 7) To participate in, and adhere to, the development and updates of their Plan of Care.
